Dear Mr. Hedberg:

Subject: Kennecott Preapplication Meeting

You are invited to attend a preapplication meeting concerning Kennecott's proposed expansion of the tailings impoundment. The preapplication meeting is intended to address the Clean Water Act, Section 404 permit requirements (i.e., dredge and fill activities subject to U.S. Army Corps of Engineers jurisdiction). At the meeting we will provide you with an overview of the proposed tailings modernization, the project purpose, baseline environmental data, and site mitigation (see attached proposed agenda and project description). The meeting has been scheduled on:

Date: Thursday, May 12, 1994
Time: 9:00 am
Place: Kennecott Arthur Administration Building Conference Room
9600 West 2100 South (Map Attached)
Magna, UT 84040

You or members of your staff were previously contacted by a Kennecott representative to initially schedule the above date, however please RSVP by May 10, 1994 by calling Beth Hanson at 569-6507. We look forward to your participation at the preapplication meeting.

Very truly yours,

R. E. Dunne
